

FLEDGLINGS NURSERY

JN/kb

22 April 2009

Dear Parents

Hot Weather

During the summer term could you please apply sun cream to your son each morning before he attends Nursery.

If your son stays for any afternoon sessions, would you please provide us with a named sun cream placed in a plastic bag so the Nursery staff can reapply sun cream for the afternoon. We also need you to complete the consent form below giving us permission to apply the sun cream.

Please ensure your son brings his cap to school each day to wear at play time and lunch time to protect him from the sun.

Yours sincerely

Jade Newman
Head of Nursery

Please return to Mrs Newman if attending afternoon sessions:

Son's Name

I attach named sun cream and give permission for the Nursery staff to apply sun cream as appropriate.
