Dear Parent,

**Re: Future Schools' Exhibition (18<sup>th</sup> March)**

On Thursday 18<sup>th</sup> March, I will be hosting a Future Schools' Exhibition and have invited 7 of our closest Senior Schools to attend, all of whom have accepted. It is advisable that, between Forms Two and Four (Years 4 to 6), parents should be looking at their options for schooling at 13+. I always advise parents to talk to friends with older pupils at Senior Schools, visiting websites and draw up a shortlist of schools to then visit on Open Days. I hope, therefore, that you will take this opportunity to explore the options open to you by joining us at the Exhibition and meeting Senior staff from the schools attending.

In the table below, I have summarised key information about the Senior Schools. All of them share a great number of similarities, but each has its own unique style, as you will discover during your discussions with colleagues at the Exhibition. The list contains web addresses, should you wish to perform your own research before the event, and is in alphabetical order.
