# **Introduction to Pack**

Welcome to the Junior school information pack for Games and P.E.

The purpose of this pack is to provide parents and pupils, simple guidelines and tips on the Games and P.E. curriculum.

The pack will also cover guidelines on fixtures, match teas and codes of conduct.

There is a section, which I hope will make your lives as parents easier, as it will explain your sons kit requirements throughout the year.

I hope the pack will be of benefit, although please do not hesitate to contact me or anyone within the P.E. department if you have any concerns.

Mr J. Albert  
Director of Sport

Athletics

During the football season, the sports hobby is rugby. During the rugby season, the sports hobby is football, and during the Summer term, the sports hobby is athletics. If the pupils wish to choose a hobby, they do so at the start of each term.

# Fixtures

Fixtures are generally on Monday or Thursday afternoons and occasionally Saturday mornings. There are occasions when fixtures, especially cup games, have to be played on other days, including on very few occasions, Sundays. It is expected that if your child is selected to play for the school, they honour this selection.

Fixtures can be found in the calendar and team sheets are posted on the sports notice board outside the changing room. Team sheets will display meeting times, match start times and collection venues and times.

Our aim is to provide matches for all pupils within the year, although this is not always possible with every fixture. We do enter many tournaments, which unfortunately, normally only involves 'A' team players, therefore on these few occasions, team selection is difficult, leaving pupils potentially disappointed. I apologise in advance if this may affect your son. If you have any questions regarding team selection then please feel free to contact me.

Fixtures are played both at home and away venues and we are proud of the support we have from our parents, and continue to encourage you to attend as many matches as possible. For our Junior school pupils, the main home venue is either Chinthurst School or Tadworth Cricket Club (TCC), as well as occasionally Epsom College in the Summer term. Directions to these grounds can be currently found in the school office.

## **Off Games / P.E.**

Pupils must have an off games note signed by their parent / guardian if they are to be excused from sporting activities. This note should be handed into the school office on the morning of the activity.

# Match Teas

Match teas for both Chinthurst players and the visiting schools will be provided after each home game. It is an expectation that every player will stay for match tea whether it be at home or away. This is a vital part of school fixtures where the children get the opportunity to meet and converse with the opposition.

As we are occasionally off site for some of the junior fixtures, we allow our pupils to leave after tea in their school tracksuits. However when playing away fixtures, depending on the requirements of the opposing school, pupils will often need to change into full school uniform. Parents are also encouraged to attend match tea after fixtures, and it has been a long standing tradition that our parents at home fixtures provide refreshments in the form of cakes etc for the opposing spectators. In addition to this, we ask for our parents to assist us in serving these refreshments whenever possible. I once again thank you in advance for your continued support and assistance.
